GroundSure Homeview - Education

GroundSure Homeview – Education is a report specifically designed by GroundSure to enable parents/carers of children to make an informed decision on their child/children’s educational needs when looking to relocate. The report provides information on local educational establishments at each key stage level and, where available, published achievement and attainment tables, allowing your client to make a fully informed decision about the standards of education within the area of their proposed purchase.

Key Features

The following educational stages are covered within the report:

- Nursery schools (Key Stage 0)
- Infant schools (Key Stage 1)
- Junior schools (Key Stage 2)
- Secondary schools (Key Stage 3)
- Secondary schools (Key Stage 4)
- Sixth form schools (Key Stage 5)
- Higher education universities and colleges

Ensure Your Clients Are Protected

GroundSure Homeview – Education will enable any purchaser to make an informed decision on their potential purchase, taking fully into account the educational standards currently in place within the property’s vicinity.

GroundSure Environmental Consultants are available to discuss the findings of reports free of charge and thereafter have full capability to provide further consultancy support to ensure environmental risks are effectively and commercially managed to the best advantage of the client throughout the course of a transaction.
