GroundSure Street Talking

GroundSure Street Talking is the essential tool to market a residential property.

Key Features

We interrogate multiple datasets to inform potential buyers on:

- council tax bands
- nearest schools
- doctors
- dentist
- pub
- restaurants
- the property market in the area (house prices, number of sales compared to the national average)
- existing planning applications that could impact the property within 100m
- nearest recycling facilities
- national parks
- areas of outstanding natural beauty and
- other more practical information.

Ensure Your Clients Are Protected

GroundSure Environmental Consultants are available to discuss the findings of reports free of charge and thereafter have full capability to provide further consultancy support to ensure environmental risks are effectively and commercially managed to the best advantage of the client throughout the course of a transaction.

To view specimen reports please contact info@searchesuk.co.uk.
